

Zee Vermette

My name is Zee Vermette, and I use they/them pronouns. I have been a member of St. Michael and All Angels since Fall 2022. I was raised in the Local Churches Movement in Albuquerque but lost my spiritual home when I came out in 2015. I attended a handful of churches looking for a new home when I finally found St. Michael and All Angels. It has been wonderful to be grounded in a community that is faithful in both worship and service. I was confirmed in the Episcopal Church this year during the bishop's visit.

Since joining St. Michael and All Angels I have worked as a servant of worship, in Casa San Miguel, and in the Landing. Prior to joining St. Michael and All Angels, I have been involved in a couple of local nonprofits focusing on LGBTQ+ rights advocacy and education, and I served on the board of one for two years.

I am blessed with so many friends and family members in Albuquerque that are striving to live lives of hope and charity, wherever they are on their spiritual journey. I love being able to listen to people where they are and walking with them on their path. My hope is to serve this community that has welcomed me so lovingly with the same spirit of companionship that I serve my family and friends.
